How to apply offer coupons in e-shop?
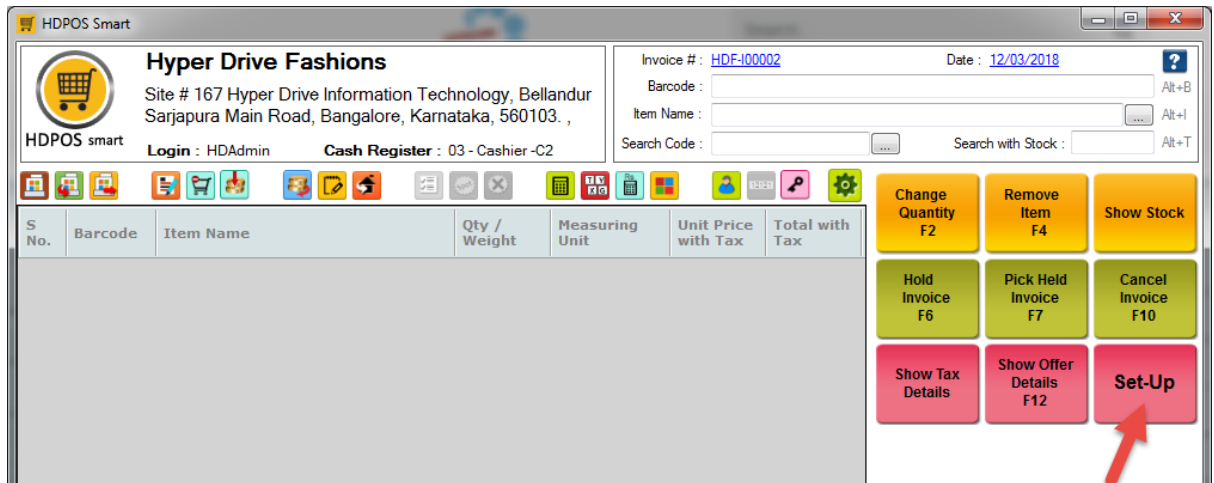

To apply offer coupons in E-shop, follow the below steps:

Step 1: Create offer applicable for coupons.

To create offer, follow the steps below:

1. Run **HDPOS smart**, from main screen, click on **Set-Up**.

2. From 3rd page of **Set-Up**, click on **Offer**.

3. From **Offer Manager** screen, click on **Add New Offer**.

4. Enter the required details like Offer Type, Offer Name etc.

5. Here I have selected the **Offer Type** as **Discount On Item** and the discount amount is **25%** for item quantity **1**.

- Check the checkbox '**Applied for Coupons**' checkbox.
- Click on **Save**.

Step 2: Generate coupons.

To generate coupons, follow the steps below:

1. From 5th page of **Set-Up**, click on **Coupons**.

2. From **Manage Coupon** Screen, click on **Add New Coupon**.

3. You will see the '**Add Coupon**' screen, enter all the details and click on **Generate Coupons**.
   - Enter the **Coupon Name** and select the **Offer**.
   - In the **Coupon Usage** section:
     - **Use Unlimited Number of Times**: When you select this radio button, the coupon can be used unlimited number of times in Sales Invoices.
     - **Use Fixed Number of Times**: When you select this radio button, the coupons can be used for fixed number of times. Mention the no. of times, coupon can be used.
   - In **Coupon Generator** section, specify the number of coupons to be generated.
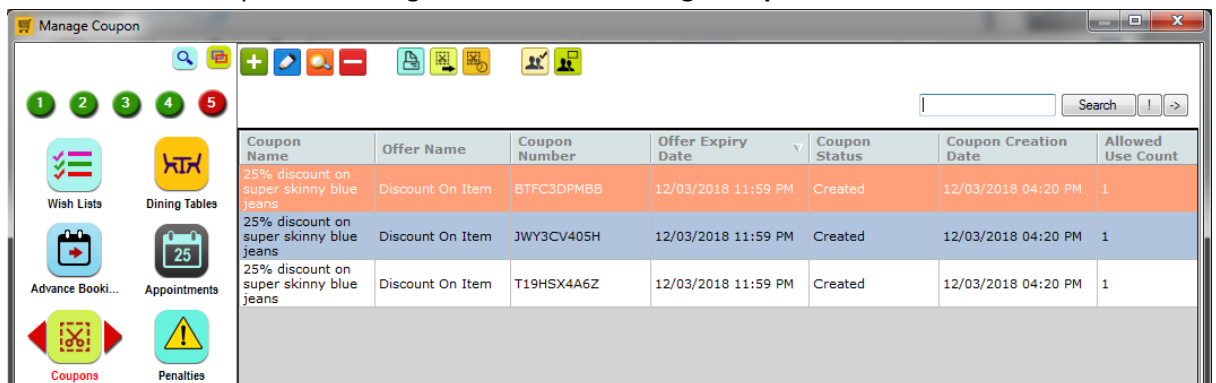

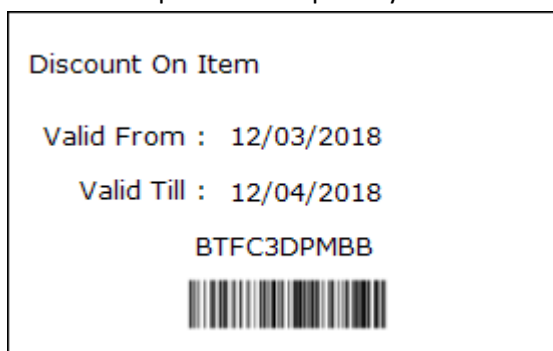

4. You can see **Coupon Generate Details** screen where Coupon Name, Coupon Number and the Offer Associated with that coupon are displayed. Click on **Generate Only.**
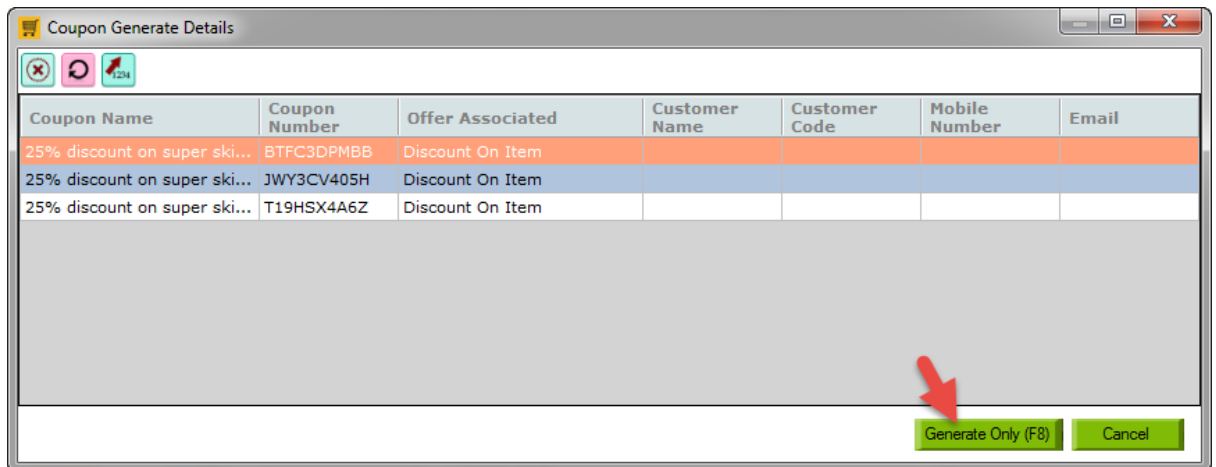

5. You can see the coupons that are generated in the **Manage Coupon** screen as shown below.

6. You can also print the coupon if you want.

Discount On Item
